The purpose of this document is to assist the recipient in deciding whether it wishes to proceed with a further investigation of the matters referred to herein. The information in this document, which does not purport to be comprehensive, is believed in good faith to originate from reliable sources, and the views and opinions expressed herein are based on reasonable analysis of source material in the possession of the provider(s) of the document at the time of provision of the document. While the document has been prepared in good faith, no representation, warranty, assurance or undertaking (express or implied) is or will be made, and no responsibility or liability is or will be accepted in relation to the adequacy, accuracy, completeness or reasonableness of the document, or any information contained within it. All and any such responsibility and liability is expressly disclaimed. In particular, but without prejudice to the generality of the foregoing, no representation, warranty, assurance or undertaking is given as to the achievement or reasonableness of any future projections, estimates, prospects or returns contained or referred to in this document. The provider(s) of this document may change any opinion expressed herein without being under any obligation to inform the recipient or to provide to them a revised version. By accepting this document, the recipient agrees to be bound by the foregoing limitations, and acknowledges that it must at all times exercise its own skill and judgment in relation to any decision by it relating to the matters contained within this document. The information, opinions and views contained herein may have been provided to other clients prior to being disseminated herein. This document shall not exclude any liability for, or remedy in respect of, fraudulent misrepresentation.
