## Number Of Tax Payments

Tax payments by businesses are the total number of taxes paid by businesses, including electronic filing.

The tax is counted as paid once a year even if payments are more frequent.

Sweden, Norway and Singapore are the winners here, as only 4-5 payments are required during the year; on the other hand, Ukrainian businessmen are required to pay 135 times during the year, with little improvement seen since 2005.

## Počet daňových plateb

Počet daňových plateb podniků je celkový počet daní placených podniky, včetně elektronického podání.

Daň se počítá i platí jedenkrát ročně, i když platby mohou být zálohově realizovány častěji.

Švédsko, Norsko nebo Singapur mají nejnižší počet daňových plateb ročně, jen 4-5 v průběhu roku, na druhé straně jsou ukrajinští podnikatelé, kteří jsou povinni zaplatit 135 krát v průběhu roku. I když je od roku 2005 vidět alespoň malé zlepšení.
